FOR IMMEDIATE RELEASE

A night view of Paint & Main featured on Horizon Directory

Official Phone Book Now Being Delivered

CHILLICOTHE, OH (March 14, 2016) Customers of Horizon Chillicothe Telephone soon will be receiving their official 2016 telephone directories highlighting several iconic landmarks, at night, from the corner of Paint & Main in historic downtown Chillicothe

Over the past 45 years, Horizon has highlighted its directory with a special cover, from photographs to artwork. This year, Tim Anderson, Jr. a local drone pilot with First Capital Aerial Media, captured several of the city's architectural icons at night. The newly renovated Carlisle Building, the soon to be operational clock tower of the Ross County Courthouse, renovated St. Mary's Church and Glatfelter in the background.

Nearly 30,000 phone books will be distributed to Horizon customers in Ross, Pickaway, Pike, Vinton, Jackson and Hocking counties. Again this year, the U.S. Postal Service will handle deliveries.

Horizon customers who use a post office box will find a notice with their mail for each directory they should receive. These notices should be taken to their local post office window to receive this year's official telephone book. Customers who have not received a directory by early April should contact Horizon's business office at 740-772-8331.
